ID 570: Barriers and Enablers for Developing Sustainable Supply Chain at Traditional Shipyards in Indonesia

Subject: Acceptance Letter for ORAL PRESENTATION at the 10th International Conference, Dubai.

Dear Yugowati:
On behalf of the IEOM Society International's organizing and program committee, it is our pleasure to inform you that your paper for the above title has been accepted for Oral Presentation and publication for the 10th International Conference on Industrial Engineering and Operations Management (IEOM) to be held at Hyatt Regency Hotel in Dubai during March 10-12, 2020. Each paper was subject to anonymously peer reviewed by at least two referees. Accepted full papers will be published in the Proceedings and indexed in SCOPUS. Attending the conference and presentation of the paper is required.

IEOM Society International, a 501(c)(3) nonprofit organization has become a premier international platform and forum for academics, researchers, scientists and practitioners to exchange ideas and provide insights into the latest developments and advancements in the fields of Industrial Engineering and Operations Management. After having successfully organized previous international conferences in Dhaka (2010), Kuala Lumpur (2011), Istanbul (2012), Bali (2014), Dubai (2015), Orlando (2015), Detroit (2016), Kuala Lumpur (2016), Rabat (2017), Bristol, UK (2017), Bogota (2017), Bandung (2018), Paris (2018), Washington DC (2018), South Africa (2018), Bangkok (2019), and Pilsen (2019) is now organizing the 10th Annual International Conference in Dubai, United Arab Emirates.

Minimum one author must register to include the paper in the program and proceedings. You can check out recommended hotels, visa information, and other travel details in the following links: http://ieomsociety.org/ieom2020/travels/ and http://ieomsociety.org/ieom2020/.

IEOM is expecting another exciting event in Dubai. Some of the events and activities that are planned include: outstanding keynote speakers, global engineering education track, industry solutions track, more than 400 technical presentations, women in industry and academia track, undergraduate and graduate student paper competitions, panel sessions, recognition and awards, and exhibition. More than 400 participants are expected to join from more than 50 countries with a diverse background.

You will see the Dubai Conference as a great value-added event. Your participation is highly appreciated. If you have any question, please contact info@ieomsociety.org.

We look forward to seeing you in Dubai, UAE.

Regards,

Dr. M. Shamsuzzaman, Associate Professor
