Dear Yugowati Praharsi:

We have reached a decision regarding your submission to International Journal of Supply Chain Management, "THE INFLUENCE OF PRODUCT AWARENESS AND VALUE PERCEPTION ON INNOVATION PERFORMANCE (A CASE STUDY IN MINERAL WATER COMPANY)".

Our decision: Accepted with major revisions.

Congratulations!

Reviewers Comments:

1. Please check carefully IJSCM's format (especially double column, font and font size, spacing, header, the bottom of the left column at the 1st page, text justify, etc.). It's recommended to use the original template which is attached.

1.1 It's noted that there will be no footer but header will be available. You have to add journal info as per template at the bottom of the first page in the left column.

1.2 During using double column, you can also use a single column for figure or table only or you could reduce the font if it's required. All tables and figures must be fitted within the paper.

1.3 You have to mention all author (s) name, email address in the final manuscript as per journal template as well as the online system.

2. As per IJSCM's template, No author(s) name will be available as text citation. In that case, you must use Number-Reference Style, like [1] at the finishing of the sentence before a full stop. According to the text citation, please do the numbering at the "Reference" section.

2.1 If [] is available at the beginning of the sentence, then you could mention: Ref. [1] refers that.

2.2 You cannot use both styles, therefore, you have to replace APA style by Number-Reference style. There will be no author name in the paper.

3. It's highly recommended to avoid old references (particularly before 2005).

4. The findings and novelties of this paper are not clear; therefore, please define clearly the findings and novelties of this paper at "Abstract" and "Conclusion".

Revised final manuscript and journal payment would be submitted on and before January 13, 2019.

Please find the attachment of Acceptance letter and Payment Procedure to transfer 200 USD (excluding transfer fee) as publication fee through Bank transfer or Western Union/Moneygram.

Looking forward to seeing your further co-operation.
